

Proposed Recipient: St. Joseph's/Candler Digital Mammography for Mobile Unit

Address of Recipient: 5353 Reynolds Street, Savannah, GA 31405

Amount of Request: \$360,000

Explanation of Request

Purpose: For the past 8 years, SJC has been providing the only mobile mammography screening in the region. They would like to expand their services by adding digital mammography capabilities to the system.

Why is it a good use of Taxpayer funds: This is a national problem, and providing access to screening to over 9,000 women in the past 8 years has been extremely helpful. The program treats all individuals, regardless of their ability to pay.
